Replant: a new generation of botanical art has been coordinated by Angus and Rose Cameron of Nomad Art Productions. The project was assisted by the Australian Government through the Australia Council, its arts funding and advisory body and the Northern Territory Government through the Department of Natural Resources, Environment and the Arts and the Research and Innovation Board & Fund.

Thanks to the MalakMalak people, traditional owners of the Daly River Region, Merrepen Art Centre, Dr Greg Leach, Glenn Wightman, Basil Hall Editions, Monsoon Photographic Studio, Darwin Festival, Don Whyte Framing, Grants Plants and Maintenance, Merridy Pitcher and Kate Smith for their generous support.

Artback NT: Arts Development and Touring is proud to present the touring exhibition *Replant: a new generation of botanical art*.

This exhibition tour is supported by Visions of Australia, an Australian Government program supporting touring exhibitions by providing funding assistance for the development and touring of Australian cultural material across Australia.

Congratulations to the artists for their enthusiastic participation and the outcome of the art.
